LAB 03

1. Open file WiFi.doc and save it as **LastName FirstName WiFi Report.** Replace "Student Name" on the first page with your first and last name.
2. Divide the document into **two** sections. Begin Section 2 just before the heading "Summary" and ensure that it starts on a new page (Hint: Use Layout → Breaks → Next Page).
3. Position the **insertion point** on page 1 of text.
4. Click the Page Layout tab. In the Page Setup group, click the Dialog Box Launcher, and then click the Layout. Under Vertical alignment box, click Center, and then click the OK button. Zoom out so you can see the entire page and review the newly formatted cover page.
5. Format the text of the title and the subtitle using Title and **Subtitle Quick Styles**. Leave the line containing your name in **Normal** style.
6. Format the document headings using the **Heading 1** Quick Style.
7. Insert the tab, stop at the **2-inch mark,** in the list of task force members.
8. Modify the Section 2 header - **unlink** it from Section 1. Move the insertion point to the center tab stop in Section 2's header. Type "WiFi Network Report", format it in italic, 14-point Calibri.
9. Create footer for just section 2 using the "Basic (Even Page)" style. Replace the placeholder text with just the first and last name. Verify that the header and footer appear only in section 2 (hint: *select option "different first page"*).
10. Move the insertion point to the end of the document, insert a page break, and insert a SmartArt graphics in the new page. Insert **an Upward Arrow** SmartArt graphic. Enter the text: **Hire Networking Firm, Construct Network, and Sell Broadband Rights**.
11. In the **Create Graphics** group, click **Add Shape**, and type **Sell Network Subscriptions**.
12. Use Word Help to learn how to convert text to a table and then convert text starting with "White Bear Auction…" and ending with "hernandez@opusproperty.net" to table. Adjust the column widths to accommodate the widest entry.
13. Insert a header row using the bold headers: **Company, Contact, Phone,** and **E-Mail.**
14. Sort the list alphabetically by Company.
15. Format the table using a Quick Style that includes row borders but not column borders.
16. **Insert a Table of Contents** at the beginning of the document.
17. Locate the last sentence of the **first paragraph** under **"Building a Network"**, which begins with **"Across the country…"**. Insert a **citation** with the following details:
